THE WORD

If anyone is the prophet of the punch line, it is Amos. He travels up from the south to preach to the people of the northern kingdom of Israel and he pulls no punches. “Woe to the complacent,” he begins, and then in a quick series of brush strokes lets them know how God sees them: lying upon their beds, stretched out on their couches, eating their tender lamb and calves, drinking fine wine while the music plays and they anoint themselves with the best oils. Then, the punch line: they shall be the first to go into exile. The party is over!

In a similar vein, Jesus paints a portrait of “Richman” – tradition has named him Dives (Latin for “rich man”) – dressed in the best, eating the best, insulated in his own little world, while at his door Lazarus lies starving, with only dogs coming to lick his sores. It is a scene of total indifference to the plight of the poor. God’s response is clear. The wheel will turn. And when it does, so shall Lazarus and Richman. What was a gap between them becomes a chasm.

The Letter to Timothy today contains advice from a mentor to his beloved child in the faith. It offers a profile of how the baptized person is to live. It’s a shame that the reading does not begin earlier (1 Timothy 6:9-10) and end later (6:17-19), because these verses directly warn about the dangers of money, offering advice for the wealthy so that they may “lay hold of eternal life” (6:12).

St. Joseph Cathedral’s Health Fair

October 10, 8:30 a.m. to 2:00 p.m.

The Cathedral’s Social Concerns/Justice Committee will host a Health Fair in the Bishop Griffin Alley (between the Cathedral and back parking lot) for cathedral parishioners, folks from other downtown parishes, people using downtown social service agencies (YWCA, YMCA) and neighboring homeless shelters. The Health Fair will be held in the Cathedral Undercroft if it rains. It’s a great opportunity to have your blood pressure, cholesterol and fat mass checked. Refreshments will be served. They’ll also have a Kid’s Area with lots of active games. Plan to be there to discuss any health issues (i.e., heart, lung, pediatric, geriatric, substance abuse, mental health, etc.) with many experts who will be on hand.
