## THE WORD

Over the years, several television shows have focused on rebuilding and reshaping houses. For over thirty years, PBS' *This Old House* has offered tips on repairing homes. More recently, *Extreme Makeover* takes a team into someone's home and transforms it to meet the serious needs of its occupants, often dealing with health or disability issues, or trying to serve the larger community in some way.

From the beginning, the church has been imagined as a house of living stones, built on Jesus Christ, a dwelling place where people come for shelter and sustenance, where they can set down their burdens and find comfort and consolation before being sent back out in the world to make it a better place to live.

The risen Christ is truly one who offers an "extreme makeover." He can be trusted to shape us into a dwelling place where the Spirit of the Lord takes up permanent residence, bringing gifts to benefit the world. From the beginning, there have been challenges for those who form the Church, and an ongoing need for renovation to meet the needs of the time.

Our efforts to make the church a home where love, mercy, justice, and peace will be found should lead us to build more firmly on Jesus, our cornerstone. When the time comes, the home He promised to prepare for us and take us to should be easily recognizable. It should not be that much different from the Church we have been living in all our lives.
