THE WORD

Can one “fathom” a mystery? “Fathom” derives from an Old English word meaning “outstretched arms”; eventually it referred to the length from fingertip to fingertip of arms opened wide. As a verb, it means to probe or penetrate in order to understand. Granting the impossibility of ever coming to fathom the Resurrection fully, I like the image of trying to reach out and put my arms around this great mystery – or, better yet, to have the risen Christ put his outstretched arms around me, drawing me into it more fully.

Which brings us to Thomas. He is the original person who tried to fathom the risen Christ, insisting that if his friends in the upper room wanted him to believe what he could only think of as nonsense, he needed to touch the wounds of the risen Lord. Jesus didn’t seem to have much of a problem letting him.

We never learn whether Thomas did touch Jesus or not, but every second Sunday of Easter we are told this story about Thomas and the risen Lord. It encourages us to fathom the mystery that is our faith, to learn to penetrate it by confessing Jesus as Lord and God, then allow this belief to flow out into our daily activities, reaching out to embrace others.

Don’t you think when Thomas left the upper room that day he knew that the Resurrection was not something to keep to himself? That his whole being was filled with the warmth and light absorbed from being in the presence of the risen Lord? Is it possible that this can happen to us?
