MISSION APPEAL – SEPTEMBER 18TH

The Augustinians of the Assumption (Assumptionists for short) do mission work in approximately 30 different countries, on all four continents. The beneficiaries of our mission appeal this year will be especially the communities we work with in the Democratic Republic of Congo for one simple reason: in the past four years, while serving their people, four Assumptionist religious have been assassinated by rogue soldiers. The Assumptionists in the eastern portion of Congo, the largest country in Africa, and most especially the young people and all the faithful they serve are traumatized by these and other similar events. They need to know that they are not forgotten. Financial support will help, but to know that the faithful in other other parts of the world know of their plight and are praying for them will be an enormous blessing for them all.

Fr. Richard Lamoureux, A.A.

Please note: All previous donations made in the yellow “Mission Co-Op” envelopes will go toward this very important program.

THE WORD

“Tell me, what is it that you plan to do with your life?” It’s a good question, but also a haunting one that makes us so edgy and anxious that we wonder if our life is real at all. It’s the sort of question we’d sometimes rather not even hear, much less attempt to answer.

So, what is it that you plan to do with your life? We say we’re going to get married and raise a family. Or, we’re going to get a job that pays well. Or, we’re going to play professional baseball or football or some such thing when we grow up. Or, we’re going to retire and enjoy life. So, what is it that you plan to do with your life? There is only one life, after all; one to spend lavishly or cautiously, one to treasure or squander or hoard, one to laugh with or cry with or maybe just sit in a daze with, for sixty or seventy or eighty years. The trouble is, or perhaps more honestly the sadness is, that few of us ever answer that gentle but big question, because we don’t know.

What God did was to give away what was most precious, God’s only Son, so that we might find life. And what Jesus did was to empty Himself, so that God could fill Him with life and exalt Him. It seems that while you and I are preoccupied with finding meaning by filling our lives, the divine instinct is to empty life so that meaning might find us.

The meeting will be held in the undercroft. (Park behind the buildings; signs will be posted to assist you.). An elevator is available to the lower level.
